Assistant Commissioner for Patents
Washington, DC 20231

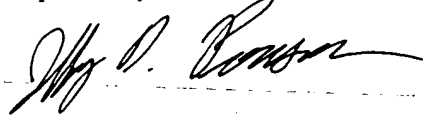

Sir:

Pursuant to 37 CFR 1.97-1.98, applicants submit this supplemental information disclosure statement and a listing of documents on Form PTO-1449. A copy of each listed document is enclosed.

The submission of the documents is not intended as an admission that any such document constitutes prior art against the claims of the present application. Applicants do not waive any rights to take any action that would be appropriate to antedate or otherwise remove any listed document as a competent reference against the claims of the present application.

This supplemental information disclosure statement is being filed after three months of the filing date of the application or date of entry into the national stage of an international application or after the mailing date of a first Office Action on the merits, whichever event occurs last, but before the mailing date of either (i) a final action under 37 CFR 1.113 or (ii) a notice of allowance under 37 CFR 1.311, or an action that otherwise closes prosecution in the application (as set forth in 37 CFR 1.97(c)). Enclosed is a check in the amount of \$180.00

Respectfully submitted,

Jeffrey D. Peterson
